

The Voice for Older Adults in Yolo County

2016-17 Policy Agenda Issues

- 1. Dementia related issues:** provider and community education and expand community services.
- 2. Affordable and Accessible Housing:** A Crisis in Yolo County.
- 3. Coordination of care and connecting to services:** including Health Homes and the work and involvement of YHAA Collaboration Committee and Yolo Aging and Disability Resource Connection.
- 4. “Persons in the Gap”** which includes lack of long term care insurance, SSI coalition work, and an affordable continuum of care including housing.
- 5. Support and expand Community Based Long Term Care programs** including In Home Supportive Services (IHSS) and Adult Day Health Care and Adult Day Care Programs.
- 6. Accessible and Available Transportation** in all parts of the county, including the rural areas and for transportation beyond medical appointments.

Approved by Board of Directors-4/15/16
